

SELECT Equi-Tussin™

Select Equi-Tussin cough syrup is an effective equine decongestant and expectorant.

DIRECTIONS:

Feed 2 to 4 ounces two or three times daily or 2 to 4 ounces before training. Add to grain or administer by oral syringe (not included).

CAUTION:

For use by veterinarian recommendation only. Do not use more than thirty days continuously. If signs of decreased appetite, water consumption are present or severe lung infection, consult your veterinarian immediately.

INGREDIENTS:

Molasses, Water, Mentholated syrup of white pine, Eucalyptus oil, Peppermint oil, Ammonium chloride, and Potassium iodide.
